ST. GEORGE'S HOSPITAL

YOUR SAFETY IS OUR PRIORITY...

“ Firstly thanks once again for your immediate response to my emergency call a couple of weeks ago to address a leak in the Day Surgery unit at SMH. It was essential that these repairs were carried out as soon as possible as part of the unit was being closed due to the increased H&S risk from the incoming water.... ”

“ I have personally used M&J Group for over 20 years, initially at Bedford Hospital and for the last 8 years at St Georges Healthcare on an ongoing basis.

I rate M&J Group 1st class in all respects; roofing, maintenance and new works. They are a professional organisation throughout and I have found them keen to develop long term partnerships with both of the client organisations that I have employed them through.... ”

“ Firstly I would like to take this opportunity to thank you and your team for the first class roofing and insulation upgrade works recently undertaken above the main MRI Suites at Charing Cross hospital. This was a high profile project with potentially significant business continuity (patient screening) and high equipment repair and replacement cost risks if the works had not been undertaken or gone to plan. Thankfully your detailed scheduling and the conscientious work of your installation team, working in close collaboration with the Trusts Refrigeration contractors whilst they moved large refrigeration plant out of hours, ensured that these risks were never realised.... ”

“I RATE M&J GROUP 1ST CLASS IN ALL ASPECTS; ROOFING, MAINTENANCE & NEW WORKS”
